QPAC
hosts

A QPAC Host package is designed to treat your most valued clients, staff or stakeholders to a high quality performance along with the pleasure of four different hospitality options ranging from cocktails to three-course dining functions.

Our creative and experienced events team will ensure your event is memorable and stress-free. For your function we provide services in addition to the performance and catering to ensure that you have a first class experience.

The package contains all your function needs:

- Dedicated QPAC Hosts Coordinator to ensure that all components of the event are pre-organised and communicated to all people involved.
- Personal QPAC Host to greet your guests and time-manage your event, ensuring that you are ushered to your seats on time and ushered back to your designated area at interval and post performance.
- Theming for your function to the style and extravagance of the performance you are attending.
- Catering and beverage service from the best in the industry.
- Client care opportunities such as product placement within function area, signage and print collateral.

The QPAC Hosts program is available in conjunction with any performance in the calendar year at QPAC. This varies from opera, ballet, comedy, dance and more, offering you a wide variety of productions at which to entertain clients.

QPAC has some fantastic shows in 2008. Visit www.qpac.com.au for up-to-date listings or email simone.givney@qpac.com.au for an upcoming shows calendar.

Do not miss this opportunity to entertain your guests with a magical night at the theatre.
